VETERANS FOR TRUMP

President Donald J. Trump has done more for our nation's heroes than has any other President in history. In 2016, President Trump campaigned on giving our great veterans the care, benefits, and respect they deserve, which is why he won their votes by a 2 to 1 margin. Veterans for Trump will highlight how President Trump has delivered on his promise to reform the VA, including signing key veterans legislation like the VA MISSION Act and the Forever GI Bill. Beyond that, the Trump economy has led to the lowest unemployment rate among veterans EVER. Re-electing the President ensures that veterans will have a leader in the White House who will fight for those who have answered the call to defend our great country. Together, with President Trump, we will Keep America Great!
