 **Shanmugam, his office fling and his attempts to hide it.**

After reading Shanmugam's explanation I am really upset as he is obviously treating us like idiots. Well here is tit for tat.

This is the type of caliber that we have in govt and a cabinet minister at that. This prick was married to the daughter of an SC. While working in Allen and Gledhill, he began an affair with a Chinese colleague. He was having a right royal fling and had no qualms about visiting the various watering holes with her. His favourite lunch hangout was a coffeeshop run by Glen Knight near Hong Lim Green where he and his lady will be busy petty themselves silly oblivious to a wall mounted mirror and that people were watching.

When the wife and her family came to know, our dear minister hatched what he thought was a cunning plot. He duty rostered his Indian lawyer underlings to escort the lady every lunch time to suggest that this Chinese lady prefers the company of Indians. And he was mistaken for one of his staff. Being subordinates, our lawyers and officers of the Supreme Court had little choice but to accept.

So how did the the in-laws finally nail the prick. Obviously they did not hire ISD.

To cut a long story short, after the divorce, he was told to find a wife, so that they can make him a minister. So a quick bang instant marriage was arranged and in a month the marriage was done in Chennai.

The affair is not the issue. The ethics behind forcing his subordinates to escort his girlfriend around is pretty much sub-standard.

He was matchmade by SR Nathan to his current spouse.

 **Re: Shanmugam, his office fling and his attempts to hide it.**

Strategy 101

The Devan Nair hand book on 'killing' oneself

How do you 'do someone in', when that one is trying to act high and mighty (but is otherwise) and is digging within your system, to find out about your system weakness.

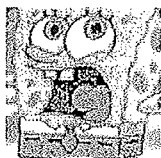

Pull him into the very system and have the system 'do him' in.

Likewise, he'll 'do himself in' even before the system does so.

He was a Senior Counsel and a partner with Allen & Gledhill before taking over from WKS. LKY's blue-eyed boy? Perhaps so but Shanmugam is very close to MM's daughter.

 Shanmugam, his office fling and his attempts to hide it.

Sham was from RI. Was told he was an ordinary student during school days. It was only after he got First Class in Law from NUS that his former school mates sit up and noticed him

I see, I see. I recall he spoke up for Glenn Knight during the latter's attempt to get reinstated. Shan was Knight's counsel when he was charged.

The only way to remove Shan and WKS is for them to be booted out during GE, meaning the loss of two GRCs. I agree with your opening sentence. Makes me want to puke. I hope S'poreans, especially the voters, feel the same way - why allow people to treat you as idiots.

Dear Scroobal

I wonder what it takes for a PAP minister to admit that they have fucked up. Do they really believe the drivel they serve up to the masses to excuse their poor performance or do they believe that once they reach the top they are gods and incapable of errors and misjudgement and all this with an ineffective opposition.

Re: Shanmugam, his office fling and his attempts to hide it.

Hi Scroobal,

How much can you vouch the accuracy of this rumour?

The implication of such an account, if true, is that PAP is not just recruiting paper qualified

members, but with flaws so serious that PAP can safely hold under lock and key an ethics rap sheet so long that they can use it to keep a short leash on their minions or lynch them as a last resort.

- Warren Buffett, to the US congress. The man gives BILLIONS away to charitable causes. COMPARE this to the "mehLEEtocracy" in PAP's rhetoric of greed.

 **Re: Shanmugam, his office fling and his attempts to hide it.**

i too am oh so "DISAPPOINTED"...

all the dots now appear to apparently make sense...

- the strange n curious legislation that was recently passed prohibiting PI investigations/surveillance viz politicians(n senior civil servants??)...

- Shan choosing George Lim as his personal counsel in his divorce...
- the whole of A&G's litigation dept apparently 'acting dumb' in public viz this matter
- WKS 'suddenly' moved out of Home Affairs...

ironically this shocking disturbing episode (that has yet to be concluded mind u!) together wif say the NKF fiasco, the initial NEH handling of CPF Life, bits of harry & son's testimony under cross examination in court & the recent public wayang after mama lee's death; clearly illustrates PAP's archilles heel...i.e. PAP's cocky elite arrogant know it all attitude will probably do them in one day...after harry kicks the proverbial bucket...political hubris...exactly what dr goh warned kishore abt just after THE Anson By-Elec...serves them bloody right...n the sooner the better...🙏

btw Ngiam's recent interview in BT at least helped to reduce my BP!!

Re: Shanmugam, his office fling and his attempts to hide it.

Good Mr scroo.

It ties up a few loose ends. Like why LKY/LHL picked him as Home Minister.

Obviously LHL has the keys to the cupboard where Shan keeps his skeletons. Thus he is obliged to toe the line.

My guess is he will be LHL's front man from now on.

Hmmm.....that sounds too nice. More like dog.

Re: Shanmugam, his office fling and his attempts to hide it.

haha..served him right. Did he think that like MSK, his wife and family will cover up for him? I am glad they abandoned the bastard liek some load of stinking pooh.

Why is it that minions like MSK were risking their freedom and lives fighting for a real cause whereas supposedly talented dickheads like him could think of nothing but trivialities like humping their colleagues? too much time.

Re: Shanmugam, his office fling and his attempts to hide it.

Give Shan some credit in that he is a hot blooded male.....unlike some other big shots who needed to masturbate in the presence of female doctors.....or a school head who behaved inappropriately to a male teacher.

He also did not dress himself in female clothes or bring a male toyboy to office. He was also never arrested by cops in a compromising position.... etc

oh... not forgetting that drunk who wore wigs to meet his mistress at the govt chalets.....

This is the type of caliber that we have in govt and a cabinet minister at that. This prick was married to the daughter of an SC. While working in Allen and Gledhill, he began an affair with a Chinese colleague. He was having a right royal fling and had no qualms about visiting the various watering holes with her. His favourite lunch hangout was a coffeeshop run by Glen Knight near Hong Lim Green where he and his lady will be busy petty themselves silly oblivious to a wall mounted mirror and that people were watching.

When the wife and her family came to know, our dear minister hatched what he thought was a cunning plot. He duty rostered his Indian lawyer underlings to escort the lady every lunch time to suggest that this Chinese lady prefers the company of Indians. And he was mistaken for one of his staff. Being subordinates, our lawyers and officers of the Supreme Court had little choice but to accept.

So how did the the in-laws finally nail the prick. Obviously they did not hire ISD.

To cut a long story short, after the divorce, he was told to find a wife, so that they can make him a minister. So a quick bang instant marriage was arranged and in a month the marriage was done in Chennai.

The affair is not the issue. The ethics behind forcing his subordinates to escort his girlfriend around is pretty much sub-standard.

He was matchmade by SR Nathan to his current spouse.

Strategy 101

The Devan Nair hand book on 'killing' oneself

How do you 'do someone in', when that one is trying to act high and mighty (but is otherwise) and is digging within your system, to find out about your system weakness.

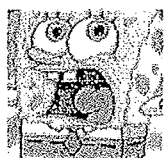

Pull him into the very system and have the system 'do him' in.

Likewise, he'll 'do himself in' even before the system does so.

I thought he is LKY's blue-eyed boy? 

What position he attained (as lawyer) before he become a cabinet minister?

He was a Senior Counsel and a partner with Allen & Gledhill before taking over from WKS. LKY's blue-eyed boy? Perhaps so but Shanmugam is very close to MM's daughter.

The legal fraternity all aware of this coz Shan's father-in-law also a SC and both don't enjoy a cordial relationship.

 Shanmugam, his office fling and his attempts to hide it.

Sham was from RI. Was told he was an ordinary student during school days. It was only after he got First Class in Law from NUS that his former school mates sit up and noticed him

I see, I see. I recall he spoke up for Glenn Knight during the latter's attempt to get reinstated. Shan was Knight's counsel when he was charged.

The only way to remove Shan and WKS is for them to be booted out during GE, meaning the loss of two GRCs. I agree with your opening sentence. Makes me want to puke. I hope S'poreans, especially the voters, feel the same way - why allow people to treat you as idiots.

Dear Scroobal

I wonder what it takes for a PAP minister to admit that they have fucked up. Do they really believe the drivel they serve up to the masses to excuse their poor performance or do they believe that once they reach the top they are gods and incapable of errors and misjudgement and all this with an ineffective opposition.

Re: Shanmugam, his office fling and his attempts to hide it.

Hi Scroobal,

How much can you vouch the accuracy of this rumour?

The implication of such an account, if true, is that PAP is not just recruiting paper qualified

members, but with flaws so serious that PAP can safely hold under lock and key an ethics rap sheet so long that they can use it to keep a short leash on their minions or lynch them as a last resort.

"DYNASTIC WEALTH, THE ENEMY OF A MERITOCRACY, IS ON THE RISE"

- Warren Buffett, to the US congress. The man gives BILLIONS away to charitable causes. COMPARE this to the "mehLEEtocracy" in PAP's rhetoric of greed.

 Re: Shanmugam, his office fling and his attempts to hide it.

i too am oh so "DISAPPOINTED"... 

all the dots now appear to apparently make sense...

- the strange n curious legislation that was recently passed prohibiting PI investigations/surveillance viz politicians(n senior civil servants??)...

- Shan choosing George Lim as his personal counsel in his divorce...
- the whole of A&G's litigation dept apparently 'acting dumb' in public viz this matter
- WKS 'suddenly' moved out of Home Affairs...

ironically this shocking disturbing episode (that has yet to be concluded mind u!) together wif say the NKF fiasco, the initial NEH handling of CPF Life, bits of harry & son's testimony under cross examination in court & the recent public wayang after mama lee's death; clearly illustrates PAP's archilles heel...i.e. PAP's cocky elite arrogant know it all attitude will probably do them in one day...after harry kicks the proverbial bucket...political hubris...exactly what dr goh warned kishore abt just after THE Anson By-Elec...serves them bloody right...n the sooner the better...🙏

btw Ngiam's recent interview in BT at least helped to reduce my BP!!

Re: Shanmugam, his office fling and his attempts to hide it.

Good Mr scroo.

It ties up a few loose ends. Like why LKY/LHL picked him as Home Minister.

Obviously LHL has the keys to the cupboard where Shan keeps his skeletons. Thus he is obliged to toe the line.

My guess is he will be LHL's front man from now on.

Hmmm.....that sounds too nice. More like dog.

Re: Shanmugam, his office fling and his attempts to hide it.

haha..served him right. Did he think that like MSK, his wife and family will cover up for him? I am glad they abandoned the bastard liek some load of stinking pooh.

Why is it that minions like MSK were risking their freedom and lives fighting for a real cause whereas supposedly talented dickheads like him could think of nothing but trivialities like humping their colleagues? too much time.

Re: Shanmugam, his office fling and his attempts to hide it.

Give Shan some credit in that he is a hot blooded male.....unlike some other big shots who needed to masturbate in the presence of female doctors.....or a school head who behaved inappropriately to a male teacher.

He also did not dress himself in female clothes or bring a male toyboy to office. He was also never arrested by cops in a compromising position.... etc

oh.... not forgetting that drunk who wore wigs to meet his mistress at the govt chalets.....
